**NOTES:**

- 1) Source Document is the Master Student Listing Report from the Campus Vue student data management system.
- 2) A first-time student is defined as a student who has not previously attended a post-secondary institution. Students who did not identify their first-time status were assumed first-time students per guidance provided by the Integrated Postsecondary Education Data System (IPEDS). As a result, it is possible the data above may also include non-first time students.
- 3) Full-time programs were determined using the full-time definition as defined by the Financial Aid Office.
- 4) We have elected not to report transfer-out rates because our school's mission does not include providing substantial preparation for students to enroll in another eligible institution without completing or graduating from our programs.
- 5) The required disclosure dates for Completion Rates: 2008 Cohort by 7/1/15.
- 6) Additional information on completion rates is available from the Admission's Office.
